For those who haven't attended before, the meetings and dress code are very informal, and if you would like to bring any non-WOA members as guests, they would be very welcome. There will be a seating plan so if you would like to sit with anyone (with their agreement!) please let me know.

The WOA membership office has given us more names of WOA members whose homes or moorings are in Wales and north west England, and this invitation is going out by e-mail to those members whose e-mail addresses I have, and by letter to others. If any of the latter now have e-mail addresses, I would be grateful if you would let me and the WOA Admin Office have them.

Our autumn dinner meeting will be on Saturday 14th November, again at the Deganwy Castle Hotel, and it will include our AGM.

Reminder - let me know ASAP if you are coming to the dinner, and your menu choices.

We look forward to seeing you.
